Endress+Hauser Group

Student Intern (Instrumentation Sales Engineer)

July 2024 - July 2024 (1 month)

Noida, Uttar Pradesh, India

About the company:

Endress+Hauser, a Swiss leader in process automation since 1953, is a global force in industrial measurement. They're not just about instruments - they provide complete process solutions for industries like chemicals, food & beverage, and oil & gas. Their tools measure everything from flow and level to temperature and pressure, optimizing efficiency and safety. In 2023, they achieved a remarkable feat with total sales reaching a staggering 3.7 billion euros, showcasing their strong market presence.

Experience:

- understanding of process & automation technology
- Learnt applications of flowmeter

- Hands-on sales engineering experience.

Advaita, IIIT Bhubaneswar
